Hughes joins the Administrative Team at NAI Piedmont Triad

Greensboro, NC – June 30, 2025: Becky Hughes has joined NAI Piedmont Triad as an Administrative Coordinator as of June 30, 2025.

With a robust background in accounting, project management and education, Becky brings a wealth of experience to their role as Administrative Coordinator at NAI Piedmont Triad. Previously serving as a Broker Assistant with NAI Pfefferle and Special Projects Manager with NAI Greywolf, Becky supported brokers with all administrative aspects of their role and at Greywolf she assisted the president with all administrative aspects of their asset management portfolio as well as administering the investor portfolio.

Prior to joining the corporate world, Becky spent over 17 years as a middle school teacher where she developed exceptional skills in curriculum creation, differentiation, and leadership. This experience has provided her with the ability to work collaboratively with diverse teams and clients, ensuring clear communication and successful project outcomes.

About NAI Piedmont Triad

In 2017, NAI Piedmont Triad (NC) and NAI Earle Furman (SC) joined forces and in 2019 entered into a partnership with NAI Columbia (SC) to form a creative commercial real estate collaboration across state lines. This strategic alliance benefits our firms with more manpower, added support, and additional resources. NAI Piedmont Triad, NAI Earle Furman, and NAI Columbia each encourage an environment of collaboration, mentoring and shared success. The agents at these firms have the passion, dedication, and expertise to realize the maximum potential and generate creative solutions for our clients across the Carolinas and worldwide.

Through NAI, a managed global network of outstanding brokers, we are uniquely capable of satisfying client requirements by having experts on the ground at virtually every location around the world. Relationships that are formed by outstanding local service are transitioned across the globe. Our collaborative services platform provides an expansive, yet nimble and responsive structure enabling us to efficiently deliver superior results.
